# RUSTIC PIZZA / OUTDOOR BANNER

144 in wide x 26 in high | Single-sided | Full-bleed navy + gold

144 in / 3657.6 mm

26 in / 660.4 mm high | Bottom gold strip: 5.5 in | Bleed: 0.5 in on all sides

## PRODUCTION HANDOFF

1. Print at 100% scale. Finished banner must remain 144 x 26 inches after hemming.
2. Bleed files have a 145 x 27-inch page and a 144 x 26-inch TrimBox. No printed crop marks.
3. Dashed inset = 1.5-inch live-art safe zone. Circles = proposed grommet positions, proof only.
4. Plan: reinforced 1-inch hems; grommet centers 1 inch from edges, approximately 24 inches apart.
5. Printer must confirm hem allowance, grommet spacing and substrate for this installation.
6. All production art is vector and outlined. No font installation or image upscaling required.
7. RGB is supplied for the sign shop RIP; generic CMYK is an alternate proofing conversion.
8. Approve navy and gold on the actual banner stock using the printer's output profile.

**PROOF ONLY - NOT TO SCALE - DO NOT PRINT THIS PAGE AS THE BANNER**
